

I am a director, screenwriter and animator with more than 10 years of experience at the field of animation production.

Most of my works have been executed utilizing stop motion technique.

Because of the limitless and attractive world which animations can provide me, i try to depict my fictions and interest topics as fine as possible.

# Bulut animation studio

Bulut Animation Studio, with the trademark and registered as "Pouya Negareh Film company of Tabriz", started its official activity five years ago and during these years has worked on producing animations with topics like short movies, advertising teaser and animated series. Most of the works of this studio are produced utilizing stop motion technique.

30 artists have directly and indirectly collaborated with this studio.

This studio has a large hall and is equipped with stop motion production accessories as well as requirements of computer made animations.

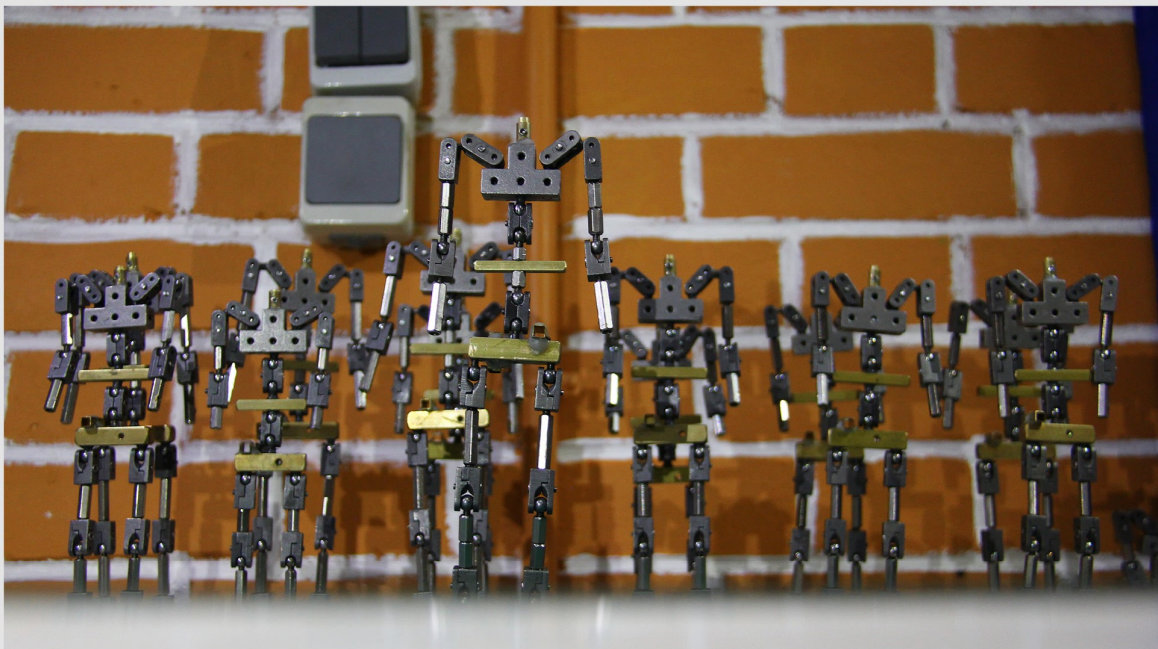

The approximate value of this studio is \$110,000.

In order to expand the scope of its activities, Bulut Animation Studio is ready to cooperate with reputable companies, individuals and brands to produce animation works.
